Details:

My name is * and I have recently moved to Berlin. I am originally from New Zealand but have spent the last 2 years teaching in London, and also working as a private tutor.

Currently I am working at a private, bilingual school in Berlin, teaching English through a wide range of subjects. I am looking for private tutor work in Berlin, tutoring from Grade 1-10 in English.

I have experience teaching across a wide range of ages, across many subjects. I have also worked with students who have English as a second language, in school and as a private tutor.

As I am working full time, I will be available most afternoons and evenings after 4pm, and can be flexible with weekend times.

Please note that I currently learning German, hence why this is written in English.

Thankyou for your consideration and I look forward to hearing from you soon.

Kind regards,

James
