Ort: 28002 Madrid, Spain

Online-Option:

Ich bevorzuge Unterricht vor Ort, aber schließe Onlineunterricht nicht aus.

Fächer:

Englisch, Geschichte, Spanisch, Spanish

Qualifikation:

Hello,

I am half Spanish and half German, but I mainly lived in Madrid. Furthermore, I used to go the German School of Madrid until the age of 15 so I am fluent in German and Spanish making me more than qualified to help with history in any of these languages. Moreover, I left Madrid at 15 and lived in England for the past 5 years. Currently I am studying Law with Psychology at the University of Southampton. Thus, I am more than capable at helping people to improve their speaking and writing skills in that language as well. I have gotten a top grade at English and History, which is the equivalent of a grade 1 in the German system.

I have also volunteered at schools in the UK to help children improve their German speaking and writing skills as well as helping them with their History and English. Therefore, I am very used to adapting to different levels of studies of different pupils and shape my tutoring in a way that is the most engaging to each person depending on their best way of study and skills.
